

# BRIAR VALLEY

VINEYARD & WINERY

*All Wines Estate Grown in Bedford County Pennsylvania*

**2017 Chardonnay** **\$24.95**

*Known for its ability to reflect terroir, or sense of place where it is grown, Chardonnay is the world's most widely planted (and highly regarded) white wine grape, spreading out to wine regions everywhere from its original home in Burgundy.*

**2018 Pinot Gris** **\$19.95**

*We make this delightful French grape, called Pinot Grigio in Italy, in a rich, full bodied Alsatian style.*

**2018 Proprietor's Rose** **\$19.95**

*Believed to be the oldest style of wine in the world, rosé is traditionally dry and crisp and hails originally from the Provence region of France. Ours is a blend of the four red wine grapes that we grow.*

**2017 Riesling (Off Dry)** **\$19.95**

*Riesling has been grown in Germany for a long time; the first written mention of the grape was in 1435! It is a natural fit for the climate here in the Alleghenies.*
